

GRÜNER VELTLINER RIED OBERE SANDGRUBE PRIVAT RESERVE 2023

The Ried Obere Sandgrube consists primarily of loess with a high water retention capacity, making it ideal for Grüner Veltliner. The wine is characterized by dominant fruit notes and a pleasant spiciness. It has a juicy mid-palate and a fine acid structure, with a long, lingering finish. A powerful loess Veltliner with definite aging potential.
