

MOMO 2024

The wine pours into the glass with a bright cherry red color and delicate rosé reflections. The aroma is highly floral, evoking wild cherries, red currants, acacia blossom, and dried grass, all layered with a subtle spicy note reminiscent of white pepper. On the palate, it is juicy and lively, with a subtle sweetness that enhances the fruity character. The light spiciness in the finish makes it a well-rounded and stimulating drinking experience.
