

## SAUVIGNON BLANC SIEME GAMLITZ 2024

The wine shines with a bright, pale yellow color.  
Its complex aroma evokes elderflower,  
lemongrass, and black currant. On the palate, it is  
beautifully dry, youthful, light, and playful.  
Pleasant herbal spiciness is complemented by  
lychee and kiwi flavors. The wine is lively and  
incredibly easy to drink.
