

## SHIRO 2024

A wine that presents itself in a pale to medium straw yellow. On the nose, aromas of lychee, juicy pear, apricot, quince jelly, elderflower, lemongrass, and a touch of freshly baked white bread and soy sauce, underpinned by fine minerality. On the palate, it is fresh yet smooth. The subtle residual sweetness is barely noticeable, giving the wine a fruity and piquant character, with fresh acidity that is beautifully balanced by the delicate sweetness.
