

## ZWEIGELT 2023

A wine that pours into the glass with a medium cherry-red hue and distinct violet reflections. On the nose, it offers a pronounced fruit-forward aroma reminiscent of sour cherries, dark berries, and stewed plums, underscored by delicate chocolate notes and a hint of licorice. On the palate, it is soft and juicy, with a mild tannin structure and subtle yet refreshing acidity. The finish is marked by the flavor of sour cherries and gentle spice.
